

Community Assessment Process

The 5 member Resource Team visited
January 24-27, 2011

Interviewed residents in **19** listening
sessions

Asked 3 straight forward questions

Recorded comments

Community Assessment Process

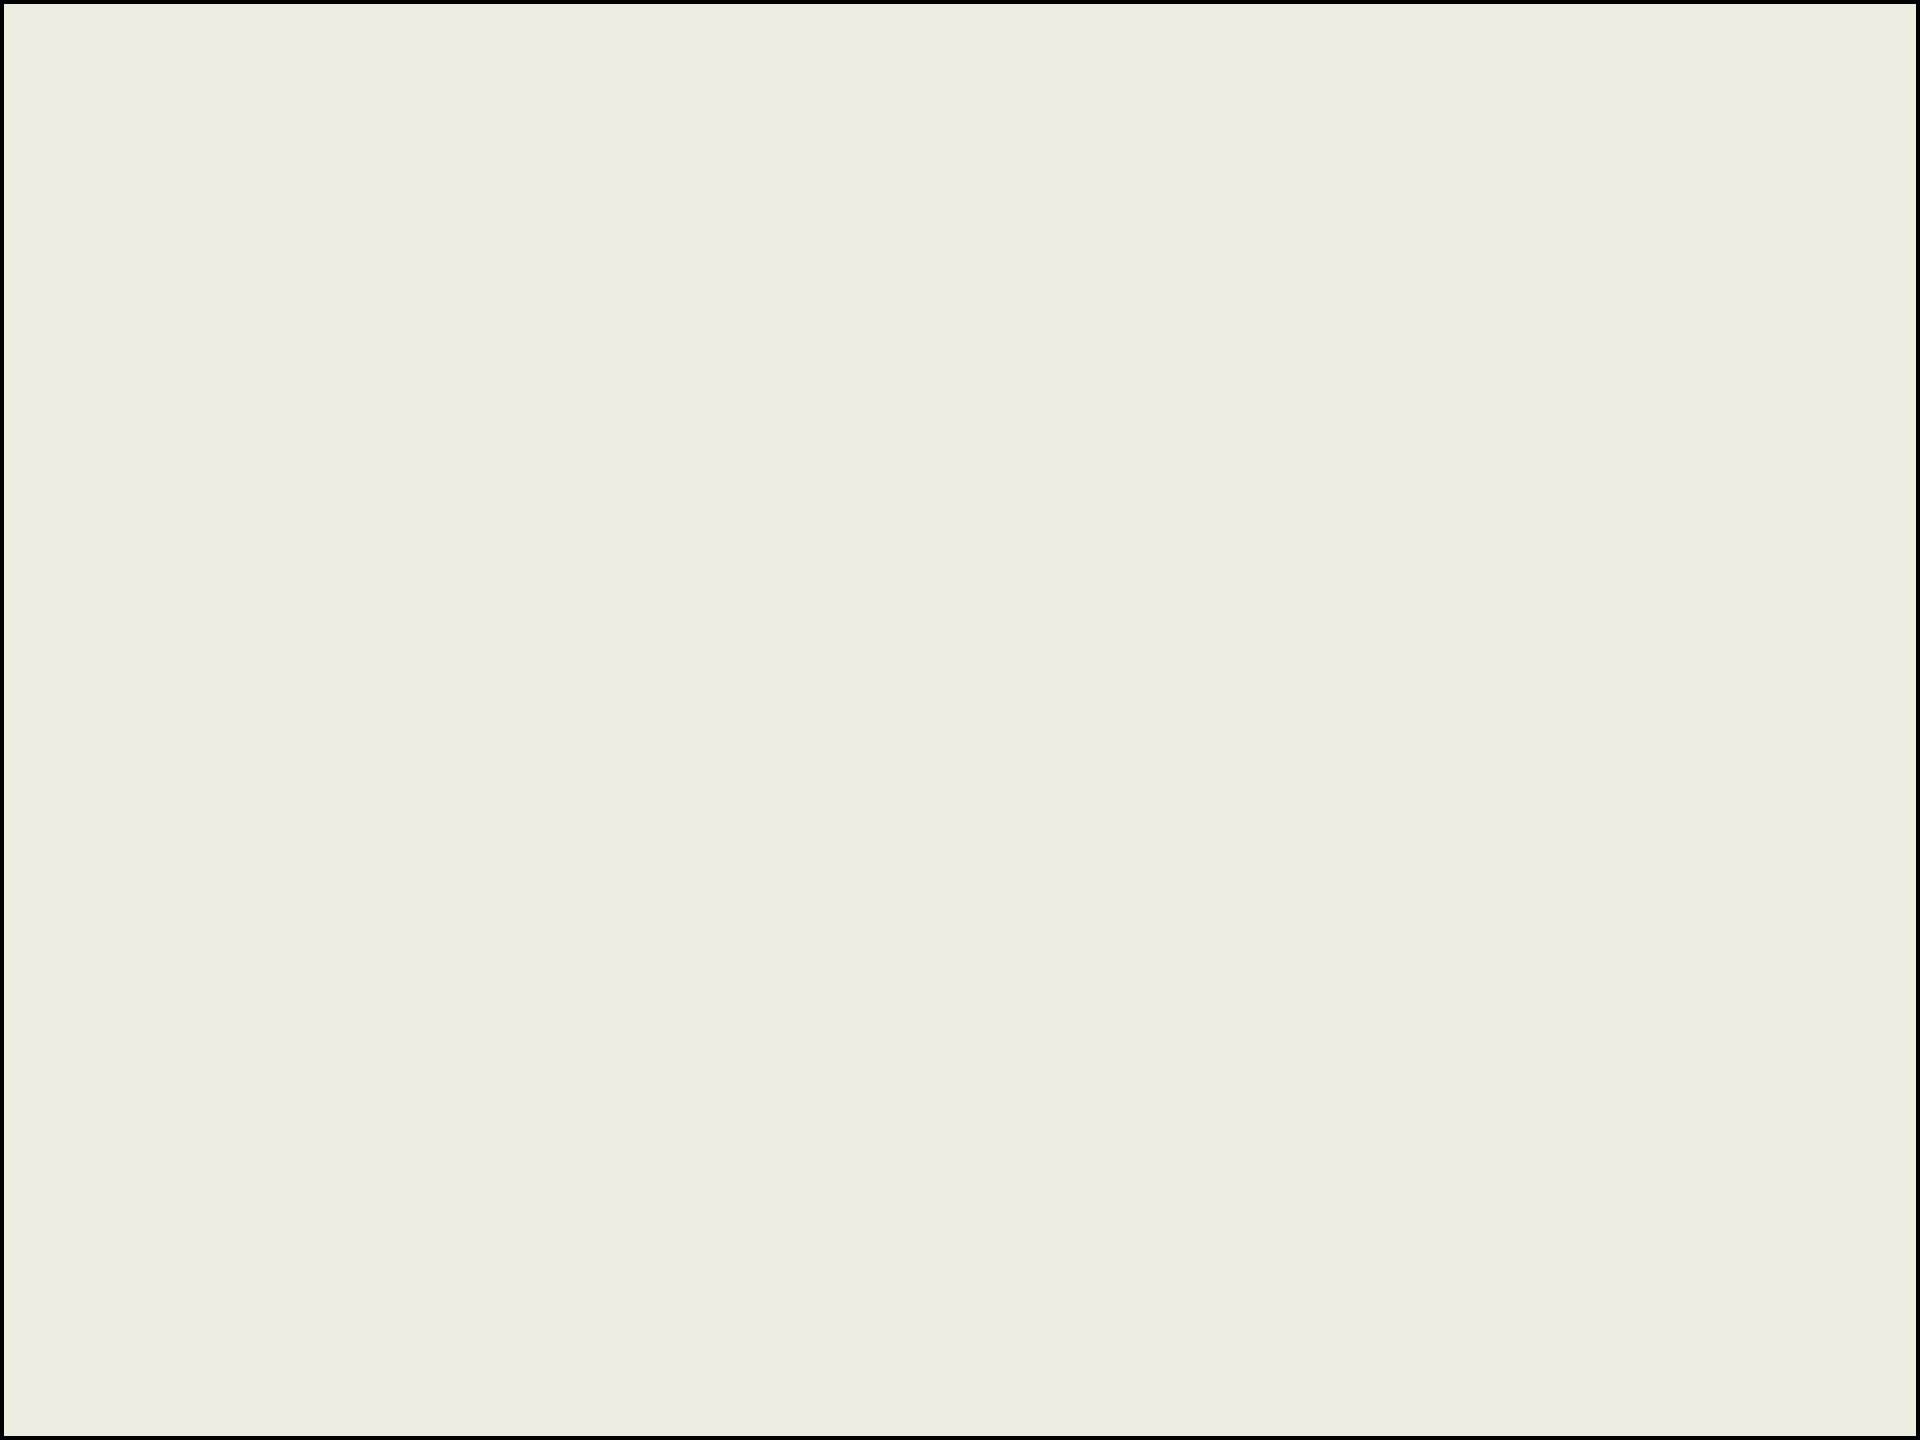

What are the major challenges in your community?

What are the major assets in your community?

What projects or initiatives would you like to see in your community in the short-term & in the long-term?

What Was Heard

A word heard many times during

Water

State of the Art Treatment Facility

Bond Debt on the Water Treatment

Youth

- ◁ Lack of Things To Do
- ◁ Recreation Center
 - Pottery, Dance, Theater, Arts
- ◁ Boys & Girls Club Building pottery, Da
